## St. Paul's School Welcomes Sarah Harris!

I began at St. Paul's Catholic School in 2018 as a Title I aide, physical education teacher's aide, and substitute teacher. I continued as a Fundraising Events Coordinator, K-8 Reading & Math Intervention Specialist, Standardized Testing Coordinator, and Title I Coordinator the following academic year. I will begin teaching third grade full time in August 2020. It has been a fruitful journey and I trust in God's plan.

Then one day, my oldest child politely asked to return to school. I prayed and trusted in the Holy Spirit, who was speaking clearly through her, calling me to teach other people's children as well. It was the right decision for our family. We finished homeschooling when the experience was positive and the children were thriving academically. I soon became not only the proud mother of three students who attend St. Paul's Catholic School, but a part-time employee as well!

It is an amazing gift to be able to serve the Roman Catholic Diocese of Boise and support its mission to evangelize, catechize, and educate youth. It is very important to me that all children have access to a high quality, rigorous, religious and academic experience. Classical education provides foundational skills to be mastered, which then allow students to take their reading, thinking, speaking and writing skills and apply them to their lives. I will prepare children to know how to learn, so they will grow into wellrounded adults who freely participate in any facet of civilized life. I look forward to encouraging my students in the learning process, and to helping each child to grow in their love for the Lord. I will strive to improve academic achievement, build selfconfidence, and ensure learning is a constant adventure.

Empecé en la Escuela Católica de San Pablo en 2018 como ayudante de Título I, ayudante de maestro de educación física y profesor sustituto. Continué como Coordinadora de Eventos de Recaudación de Fondos, Especialista en Intervención en Lectura y Matemáticas K-8, Coordinador de Pruebas Estandarizadas y Coordinador del Título I el año académico siguiente. Comenzaré a enseñar tercer grado a tiempo completo en agosto de 2020. Ha sido un viaje fructífero y confío en el plan de Dios.

Entonces un día, mi hijo mayor cortésmente pidió regresar a la escuela. Oré y confié en el Espíritu Santo, que estaba hablando claramente a través de ella, llamándome a enseñar también a los hijos de otras personas. Fue la decisión correcta para nuestra familia. Terminamos la educación en casa cuando la experiencia fue positiva y los niños estaban prosperando académicamente. Pronto me convertí no sólo en la orgullosa madre de tres estudiantes que asisten a la Escuela Católica de San Pablo, ¡sino también en una empleada a tiempo parcial!

Es un don increíble poder servir a la Diócesis Católica Romana de Boise y apoyar su misión de evangelizar, catequizar y educar a los jóvenes. Es muy importante para mí que todos los niños tengan acceso a una experiencia de alta calidad, rigurosa, religiosa y académica. La educación clásica proporciona habilidades fundamentales para ser dominado, que luego permite a los estudiantes tomar sus habilidades de lectura, pensamiento, hablar y escribir y aplicarlos a sus vidas. Prepararé a los niños para que sepan cómo aprender, para que se conviertan en adultos bien redondeados que participen libremente en cualquier faceta de la vida civilizada. Espero alentar a mis alumnos en el proceso de aprendizaje y ayudar a cada niño a crecer en su amor por el Señor. Me esforzaré por mejorar el rendimiento académico, desarrollar la confianza en sí mismo y asegurar que el aprendizaje sea una aventura constante.

Theme – “Spiritual Combat”

Whether we like it or not—life is a warfare... a constant fight on our path to eternal life. This conference on the “Spiritual Combat” identifies the enemy and his allies, their chief tactics and the road to victory over their attacks.

- A look at some of the foundational principles necessary for preserving the life of grace.
- The strength we need to conquer our spiritual enemies— “the world, the devil and the flesh.”
- The proper use of our spiritual weapons: prayer, frequent examination of conscience, confession, Holy Communion and true devotion to the Blessed Virgin Mary.

### Open House from 8:00-3:00 on August 17

In order to provide the best possible education for the youth, we implement a classical education of the whole person in mind, heart, body and soul. This very approach in itself encourages all the 21st century skills that are so desirable in our society--love of learning, collaboration, creative and critical thinking. Our Franciscan Community (preschool), Benedictine Community (grades 1-4), and Ignatian Community (grades 5-8) organize our school into distinct phases of education that are appropriate to the developmental stages of youth.

An education at St. Paul's Catholic School will be the wonderful privilege of parents who are dedicated to the faith and well-being of their children. I am enormously pleased to announce this to parishioners throughout diocese. For further information you may contact me directly (fmartin@stpaulsnampa.org or (208) 467-3601) or explore to our website for more details on faculty, programs and philosophy.
